

ECLCS ESSER PLAN

CLOSING THE LEARNING GAP

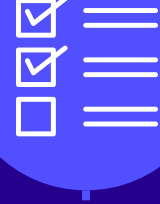

1

Literacy Rich Environment

To achieve your goals, you must first have a clear vision.

- Accelerated Reader
- Reading Lab Kits
- Take Home Books for Scholars
- Hallway Libraries

2

Real World Problem Solving

- Makerspace space and material
- Project Lead the Way Kits and Training
- Project Based Learning Training for staff
- Passion Projects

3

Learning Experiences

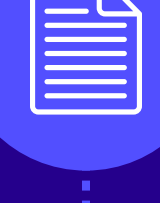

- STEAM field Trips (2 per year per grade)
- ECLCS Clubs (art, all about sports, robotics, etc.)
- EC Garden Space (picnic area, raised beds, garden supplies)

4

Setting the Conditions for Learning

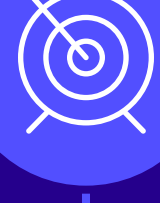

- Additional EL Teacher
- Social Worker
- Classroom/Building Aides
- Flexible Seating Material

5

Intentional Positive School Culture

- Sensory Playground Equipment
- Sensory Hallways
- Panorama SEL And MTSS support and monitoring
- Clothes and Food Pantry
- Community Outreach Staff Member

6

Just Right Instruction

- MClass reading interventions grades K-6
- Naviance College and Career software
- Camp EC Summer 2022 and 2023
- SPED and EL classroom resources for individual instruction

Over the next three years, East Chicago Lighthouse Charter intends to close the learning gap through...

Designing learning environments that are strategically warm/welcoming and placed throughout our entire space.

Ensuring our students, teachers, and families have access to resources needed to succeed.

Pushing our learning beyond the walls of ECLCS--into our community and into the world.
